1 The graphs and data are not visible to Audience

8. What did you like best about this program and why?

Respondent #

Response

1 i met many people from many organizations. so networking is the benefit.

2 The speaker was very engaging and put a modern day twist on well known and practiced theories and practices. I appreciated the fresh perspective

3 Very forthcoming speaker (we could email him for templates and further guidance)

4 Good topic.

9. Do you have any suggestions for future presentation topics?

Respondent #
